FACEBOOK as Learning Platform

. Most convenient way to get connected with students. WHY?

.80% of Malaysia population have FB account.

. FB advantage is that your audience is most definitely there.

. Advantage:

- **It is accessible to everyone.**
- **It is ideal for social learning**
- **It enhances learner engagement**
- **It is inexpensive**

. Disadvantage

- **It is distracting**
- **It is not secure**
- **It cannot provide feedback on performance**
